Dear Parents and Carers

A letter went out on the Skoolbag app this morning signed by me for your information. I have included the text below.

I write in response to concerns raised by some parents about whether any existing school buildings that contain asbestos have been demolished as part of our current building program. I want to make clear that this has not been the case.

Asbestos is a now discredited material that was used in Australia in the construction industry and for other purposes until around the mid-1980s. As explained in the NSW Health Fact Sheet, in its bonded form (that is, when it is part of a solid structure like buildings and roofs, asbestos poses little risk. Risks are heightened when broken or mishandled fibres become airborne.

The safety and wellbeing of all members of our school community has always been, and will always be, our number one priority. The school's demountables which have been moved as part of school building program, do not contain asbestos.

There are clear government protocols that mandate the safe containment, removal and disposal of products containing asbestos. These protocols are strictly followed. While there has not yet been demolition of school buildings containing asbestos, when this is required as part of our building program, the work will take place out of school hours and by licensed, accredited contractors. Affected areas will be strictly managed in accordance with Safe Work NSW guidelines. Air monitoring by specialised hygienists will be set up on the site to ensure safe air quality and there will not be site access unless it is safe to do so, and the necessary clearance has been provided.

Feel free to contact me at school if you require any further clarification about this matter. You can also read more about asbestos and associated health risks in the [Asbestos and Health Risks Fact Sheet](#) on the NSW Health website.

Thank you for your ongoing support of Our Lady of the Rosary, Kellyville.

Celebration of Our Lady of the Rosary Feast Day

Last Friday we celebrated the Feast Day of Our Lady of the Rosary. We honoured Mary as she holds a special place in our hearts. We thank Miss Meyer, Mrs Noonan, Mr Nolan, Mrs Prince and Year 4 for preparing and leading the Our Lady of the Rosary Liturgy. It was a beautiful ceremony celebrating our OLOP community. You may like to view *Our Lady of the Rosary* <https://www.youtube.com/watch?v=8lvhoSNf6Ls> with your family.

Students are invited to bring their **Rosary beads** to school during October for the month of the Holy Rosary. The **Rosary** is a form of meditative prayer that requires application of the mind. Contact with the beads helps us to meditate on the great mysteries of our salvation. The main focus is on the birth, life, death and resurrection of Jesus. You may like to view *How to Pray the Rosary* <https://www.youtube.com/watch?v=zATQjuyk4Qg> or use the guide below.

We grow in hope that God will bring us to share in the glory of Jesus and Mary forever.

NEWS FROM SR ANTOINETTE

Dear Parents,

It is hard to believe that we are in the last term of the school year for 2018. I found this inspirational story that I would like to share with you.

A Native American story gives us an important lesson about life:

An old Cherokee chief was teaching his grandson about life.

“A fight is going on inside me,” he said to the boy. “It is a terrible fight and it is between two wolves.”

“One wolf is evil – he is anger, envy, greed, arrogance, false pride, and ego.”

“The other is good – he is joy, peace, love, hope, kindness, humility, and compassion.”

“This same fight is going on inside of you,” the Chief tells his grandson, “and inside every other person, too.”

The grandson thought about it for a minute and then asked his grandfather, “Which wolf will win?”

The old chief simply replied, “The one you feed.”

Feeding the Right Wolf

We live with that same struggle within us every day, too. Recognizing that we are made of a balance of energies helps us to be in control of those energies. When we learn how to consciously feed the wolf we desire to be in charge, we are more in control of our lives.

For example, you work while listening to the news all day and bombard yourself with negative stories about human suffering and acts of violence. You might start out irritable and move into anger over the world. When you begin to feel this, feed your other wolf.

Remember that there are many good things happening in the world. There are people who are doing acts of kindness and spreading joy all around the world. Go do something nice for someone else and feel how powerful your good wolf gets.

You get into an argument with a friend and feel the tension build as you desire to prove that you are right and they are wrong. You stop listening and feel that their argument is pointless. Focus on the other wolf. Feel gratitude that you have a friend with whom you can challenge each other's views. Have a sense of awe for all of the experiences that your friend has lived through to have developed their opinions. Sense the compassion your good wolf has for this friend who shares their thoughts with you freely.

Practice observing which wolf is in charge of your life each moment. Ask yourself if that is the wolf you want to win. If not, then **take charge of the struggle and feed the right wolf.**

A Thought

“We cannot do everything at once; but we can do something at once.”

Lost Property: Just a brief reminder re lost property. There is still a great deal of lost property appearing every day. I cannot stress how important it is that **EVERY item of clothing, lunch boxes, drink bottles etc are CLEARLY** marked with your child's name. Your co-operation is greatly appreciated.

All OTHER sport registrations will open in November for 2019 trials.

Any Primary students enrolled in Year 5 and 6 in 2019 are invited to participate in the Parramatta Diocesan Team Sport Trials during Term Four in 2018 and Term One & Two in 2019.

It is important to note that these trials are generally for those children who display an above average ability and/or have representative experience in their chosen sport. While teams are open in age it is **strongly recommended that only children of a representative standard in Years 5 & 6 in 2019 be invited to attend.**

Parramatta Diocesan trials will be held in the following sports:

*AFL (boys), Basketball (B&G), Cricket (B&G), Diving (B&G), Hockey (B&G), Football (B&G), Golf (B&G), Hockey (B&G), Netball (girls), Rugby League (11yrs & Opens), Rugby Union (boys), Softball (B&G), Tennis (B&G), & Touch(B&G).

To be eligible for selection for these trials an Online Team Registration Form must be completed that can be accessed via the website www.primarysportparra.catholic.edu.au.

This online form is an **EXPRESSION OF INTEREST** for the 2019 Parramatta Diocesan Primary Sport Team trials. Parents may complete this form to attend a selection trial. One form is to be completed per child, per individual sport. Each sport has its own criteria therefore, it is imperative that the correct form is completed.

Please note that your online registration is an **EXPRESSION OF INTEREST ONLY** and **MUST be approved by the child's school**. In order for the child to attend the nominated trial or event this may come down to the discretion of the school as to who is selected to attend the trial. In some sports only 2 students per school can be nominated. **All fields and especially "Representative Experience" MUST be completed.**

Under no circumstances will a child be eligible to trial if the Online Registration Form has not been completed and approved by the school by the closing date.

STEPHANIE ALEXANDER KITCHEN GARDEN FOUNDATION

Last week Year Three commenced the Stephanie Alexander Kitchen Garden Program. What a success! 3B were split this week and experienced fun in the garden, exploring, identifying, looking at tools, and planting sunflower and climbing bean seeds. They also harvested dried coriander seeds to use later in the year.

In the kitchen we learnt how to use a knife safely and used our skills to make Vietnamese Rice Paper Rolls, Leafy Salad and Flavoured Water. The children tasted foods that they hadn't had before (peer pressure is wonderful sometimes!) It was lovely to all come together at the end to share what we had made. Many thanks to Edwina and Melissa for their help.

STATE ATHLETICSSUPER STAR SAKURA!!

Our Year 2 superstar Sakura D will compete in the NSW Primary Schools Athletics Championships at Homebush Olympic Park which will be held on the 31st Oct and 1st Nov.

Sakura will compete in shot put and we wish her well as she continues to make her dreams blossom.
GO SAKURA!!!

OLOR IS NUT FREE

We have an increasing number of children in our school who suffer from an anaphylaxis reaction to certain foods etc. but in particular, nuts.

To assist in our duty of care for these children, direct nut products or products that list nuts as an actual ingredient, eg. peanut butter and nutella, are not permitted at Our Lady of the Rosary School. Please also keep this vigilance when sending in birthday cakes, cupcakes and other confectionary for whatever purpose. Additionally, we will continue to ask that children not to share their food.

EVERY DAY MATTERS

CHANGES TO STUDENT LEAVE APPLICATIONS: COMPULSORY SCHOOL ATTENDANCE

The Catholic Education Office Diocese of Parramatta (CEDP) has procedures and guidelines in place to achieve high standards of student attendance in collaboration with parents. Parents are required by law to ensure that children aged between 6 and 17 years attend school. Schools are required to monitor and keep a register of student attendance and explained absences.

Requirements for Extended Leave from attendance for student absence and travel

- **1-4 days absence:** Parents **must** notify the school principal by mail or email (written) at least 2 weeks before leave date.
- **5 or more days absence:** Parents must complete and submit the [*Application for Extended Leave*](#) form at least 2 weeks prior to commencing leave (Copies of travel documents must accompany this application). If approved the Principal issues a [*Certificate of Extended Leave*](#). If the Principal declines this application (i.e it is not within the best interest of the child to take leave and be absent from school), a letter notifying parents that the application has been declined would be forthcoming.
